

Foundations to creating my own career path

1. What is your desired career objective?

2. How this objective looks when looking at it from the perspectives below?
 - Short-term (3 to 5-years' time)

 - Mid-term (7 to 10-years' time)

 - Long-term (12 to 15-years' time)

3. Which area you would like to work in?

4. Where would you like to be?

5. What responsibilities you would like to have?

6. Which kind of contributions you would like to bring to your job?

7. Which kind of impact you would like to create?

8. Which higher purpose you would like to serve?
