Brief history of Agora

AGORA: BUILDING CAPACITY FOR UNICEF STAFF AND PARTNERS*

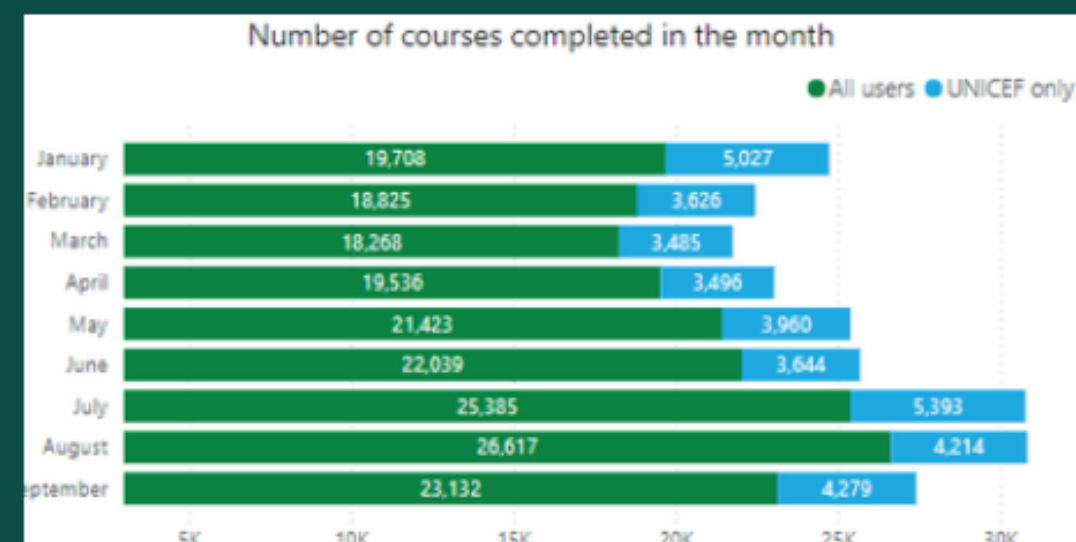

1 Expansive reach

Over 300,000 learners access Agora annually, with the majority logging in from program countries. High-engagement countries include India, Nigeria, Ukraine, and Pakistan.

2 Quality of usage / engagement

Agora averages 20,205 course completions per month, reflecting high engagement and consistent quality.

3 Skills development for staff and partners, strategic alignment

Activity Name	# of completions
Child Safeguarding Training	3831
How to provide initial support to survivors of gender-based violence (GBV)	3138
Los derechos del niño y por qué son importantes	2213
Handling, storing and managing data for information management	1714
Fraud Awareness (implementing partners edition)	1632
Manager Support Programme - UN System Staff College modules	1464
Introduction to Child Protection	1311
Child Protection Systems Strengthening: Approach, Benchmarks, and Interventions	1267
Child rights and why they matter	1192
Fraud awareness for Face-to-Face Fundraisers	1178
Introduction to UNICEF Core Commitments for Children in Humanitarian Action	1146

The highest completion rates come from courses closely tied to UNICEF's core mission, such as the CCCs, health, education, and emergency response. This demonstrates Agora's strategic role in skill-building, benefiting both staff and partners to support programme delivery.

Agora hosts critical learning for UNICEF partners in the four Clusters, with 55,000 enrollments in 2024.

4 Unifying and future-oriented

As a unifying platform, Agora consolidates learning resources across UNICEF and aligns with other HR systems, creating an integrated environment.

5 Data & evidence-based

Monthly tracking and course completion metrics reveal usage patterns, enabling informed decisions on learning needs and result assessments.
